Chamber of Commerce

The Canadian Chamber of Commerce is a membership organization of businesses and individuals who are working together to improve the economic, civic and cultural well-being of the Canadian area. Anyone interested in helping promote the area (which means more business, more jobs, and a better standard of living for everyone) is eligible to become a member of the Canadian Chamber of Commerce. Among many other member benefits, members join to participate in support of the economic health of the community in which they do business and/or live. Business members also have the additional benefit of being able to promote their businesses. The Chamber works all year on behalf of the business community. Your participation in assisting the Chamber in this process benefits you, your business, and the community as a whole. Your ideas and questions are always welcome. For more information on becoming a member, please call our office.
